

## Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to giving top quality and new design concepts to be able to meet the diverse needs of their clients.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They enjoy providing products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their customers' cleaning equipment functioning and ready day after day is top priority. The company's top of the line technology delivers reliable machine which ultimately reduces your cost of cleaning. The service, the product and the price all work as one to make them an industry leader.
