Advance-Nilfisk Parts - Imagine how tiresome it would really be to clean up your own house right after having a big party, with no assistance from cleaning machines. In the past, the time upholstery and carpets had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the leading cleaning supplies back then.

The founder of Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After founding his company during the year 1906, he began to make motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's vision from the start was to own an international business marketing goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner that could be operated by one individual as it only weighed 17.5 kilos! This invention came in a time where other cleaning machines were huge and required at least 4 operators, thus, the Nilfisk C1 transformed everything and evolved the method we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing dilemma; things get filthy and have to be cleaned frequently, without too much effort.

Slowly, the business Nilfisk-Advance expanded throughout the years. In the early 1980's the business expanded fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the industry, trying to be an active worldwide player in producing professional cleaning machines. Nilfisk-Advance is presently located in every part of the globe due to steadily acquiring a lot of smaller businesses in order to develop their product selection and presence in new markets. They are proud to offer various cleaning solutions to meet every need.
